

## Day 1

### Sample Itinerary:

*\*Below is a general outline of our Magdalena Bay day tour itinerary. Please note that this is our ideal schedule; however it may be adjusted due to weather or other items outside our control. Your adventure consultants and guides will brief you with any updates prior to your departure.*

#### **7:30am Meet in the Hotel Lobby**

Meet at our designated hotel lobby to meet your Sea Kayak Adventures guides. *\*Please have breakfast on your own before meeting the group as it is not included in your itinerary.*

#### **8:00am Depart for Puerto Lopez Mateos**

Get an authentic glimpse of Baja as you traverse across the interior of the peninsula during the roughly 2 hour drive. The rolling hills, quaint towns and cacti make for pleasant scenery along the way.

#### **10:00am Arrive in Puerto Lopez Mateos.**

Your guides provide a short whale watching orientation before you board a local panga for your 2-hour whale watching session. During the whale watching session you are accompanied by a local driver and one of our Naturalists who share with you detailed information about the gray whales of Baja. Due to the small size of Magdalena Bay and the high number of whales who inhabit the lagoon during the months of January - March, whale observations are plentiful and typically begin shortly after you leave the docks.

#### **12:00-12:30pm Conclude Whale Watching and Lunch**

You'll complete your whale watching session before making your way to a local restaurant for an authentic Mexican meal served family style. As Puerto Lopez Mateos is a fishing village, you can be sure the seafood will be incredibly fresh!

#### **1:30 - 3:30 Return Drive to Loreto**

### What to Bring:

*Note: Please dress appropriately for the day's weather and for being outside in the elements during your whale watching session. Weather on the Pacific can vary and change quickly, so dressing in layers is always a good practice.*
